

REENGAGED SCHOOL TEACHERS

But Subject to Some Changes of Positions—Town Board Votes Salary Raises Aggregating \$1900—Most of Teaching Staff of Town Have Now Reached the Maximum.

The March meeting of the town school board, which had a special interest for the teachers because it was the time at which the question of reengaging them for next year was to come up, was held on Tuesday evening in the superintendent's room in the town hall.

This question was settled by a vote to reengage all the teachers, including the drawing teachers and the three supervisors, J. B. Stanton, Fred L. Newton and F. R. McNamara. There was a provision about some changes of positions in reengaging some of the teachers and there also a vote to give all the advances in salary recommended by Superintendent E. J. Graham. These various advances bring most of the teachers in the town to the maximum fixed by the board some

time ago and make an aggregate increase in salary budget of \$1,900. There is no advance in salary in the cases of the supervisors.

In the absence of President Shepard Bishop was made chairman of the meeting. Secretary T. J. Kelly acted in his usual capacity.

The committee on care of property reported that some important improvements were to be made at the Hobart avenue and the Mt. Pleasant street schools and that the larger schools would be fumigated during the coming spring recess.

The regular bills were ordered paid and some other important matters were over to another meeting in order to have the full attendance of the board.

PLAN RAISING FUNDS FOR SCHOLARSHIP.

Norwich College Club Names Committee for the Work.

At the meeting of the College club held Monday afternoon in Slater hall, with Miss Louise C. Howe, president, in the chair, plans were discussed for an entertainment to be held after Easter for the purpose of raising funds to send some Academy girl to the Connecticut College for Women. The committee appointed as follows: Miss Bonfoey, chairman; Mrs. Allen L. Brown, Miss Sutton, Miss Jane Bill, Mrs. Edward J. Graham, Miss Catherine Beckley and Miss Marion Pullen.

The following report was presented by Miss Newton, chairman of the executive committee:

Recognizing the fact that though we, as individuals, desire to give personal support each to our own college, yet as a college club we could not be partial to any one of them; but realizing also that we could not better show our loyalty to that for which as a club of college women we are proud to stand than by uniting the impulses of all our alma maters, to lend our influence and our efforts for the new Connecticut College for Women which will not only bring its benefits and opportunities almost to our doors, but will stand for something new and hitherto unprovided for in our training, will fill an unfulfilled want in women's education and be distinctly in the line of progress; in view of these things the committee decided to recommend that the College club go on record as in sympathy with the inception of the new college and adopt some means of more definitely and actively offering its friendliness and support.

We would recommend first and foremost that a publicity committee be appointed whose object shall be to keep the college in people's minds by conversation, correspondence, by frequent press notices or in any other way that occurs to their fertile minds; and particularly to attempt to interest people of means to give largely for the funds for the building; rather especially to approach to this end people of Norwich or Norwich connections that possibly through the efforts and as a result of our Norwich College club a "Norwich hall" may have its place on the college campus. Thus we might combine to do something for Norwich as well as for the new college.

The executive committee proposes as the personnel of this publicity committee Miss Elizabeth Huntington, chairman, Mrs. Lucius Brown, Dr. Esch, Mr. Woodward, Miss Helen Marshall, Miss Mary Avery, Miss Anna Gilbert, Mrs. William H. Oat, Miss Shepard Palmer, Miss Helen Newton, Miss Louise Howe (ex-officio).

Tea was served after the business meeting by Mrs. Charles L. Stewart, Miss Avery and Mrs. Shepard B. Palmer.

Fengar Codicil to Be Admitted.

The conflict over the estate of the late Mrs. Mary E. Fengar of New London, which has been waged in the probate court, will come to an end by an agreement reached between counsel for the interested parties late Monday afternoon. By this agreement the late Mrs. Fengar's will, which has been the bone of contention, by which Mr. and Mrs. Thomas Ganey were given the Fengar house in which they reside, will be admitted to probate. This is one of the provisions of the agreement which will adjust the controversy. Counsel are unwilling to divulge the nature of the entire agreement.

Magnifying Misery Into Joy

Dyspeptics, Stomach Sufferers and Appetiteless People May Quickly Find Relief in Stuart's Dyspepsia Tablets.

When a stomach sufferer gets relief he is one of the happiest of human beings and he looks back at his old self with a distinct feeling of horror. Stuart's Dyspepsia Tablets quickly readjust the out-of-proportion stomach and digestive machinery and bring joy of life and love for food to the man or woman who will use them after each meal for a short time.

"Hully gee, I used to feel just like that fellow."

The action of Stuart's Dyspepsia Tablets is a purely natural one. When taken they enter the stomach just like food. They mix with the juices of the stomach. Then they enter into and correctly build up or dilute the juices of the stomach go into the intestines and there when the nourishment from food is taken into the system so follows the ingredients of these wonderful tablets.

They correct the faults of the blood and thus at the next meal the body is better able to produce a stronger and more normal digestive juice.

A short use of these tablets will reestablish your digestion, stop gastritis, heartburn, indigestion, foul breath, catarrh of the stomach and do away with dangerous stomach ulcers and many other unbearable conditions.

Go to your druggist today and begin the Stuart's Dyspepsia Tablet habit. It is the habit of health and appetite. Learn how to yearn for food, not how to spurn it.

Obtain a box from any druggist—price 10 cents. Sold wherever you can find a drug store.

THE PRICE & LEE CO.

66 FRANKLIN STREET,

NORWICH, CONN.

companied. Their numbers were A. Land of Roses, by Teresa del Riego, and A. Sprit Flower, by Campbell-Lipton, and My Treasure, by Joan Trevalsa, and To You, by Oley Speaks, the encores.

Mrs. Practice had charge of the literary programme, upon the topic The Passing of the Home, and three papers upon the home were given by chapter members. Mrs. E. J. Hunt described the home of colonial days, Miss W. Avery wrote of the modern home, and Mrs. Joseph F. Cobb gave her idea of the home of the future.

The evening was closed by the singing, assisted by Mrs. Clinton E. Stark and Miss Annie E. Vaughn.

REV. GEORGE T. BERRY

BEFORE M'ALL AUXILIARY.

Speaker at Annual Meeting of Norwich Branch—Mrs. Bacon Re-elected President.

The annual meeting of the Norwich M'All auxiliary was held Tuesday afternoon in the Norwich club. The meeting was in charge of Mrs. L. W. Bacon, the president. After the singing of a hymn, Rev. E. S. Worcester offered prayer. The secretary's report of the last meeting and the work of the year was read by the secretary, Miss Elizabeth Parker, which was accepted. In her report she referred to the many interesting meetings held during the year and the excellent work of the auxiliary. Mrs. S. H. Howe, the treasurer, gave her report, and it showed that the auxiliary has a balance of \$20 in the treasury, and she said that she hoped more would be added to this sum in order that another appropriation could be given to the mission.

As this was an annual meeting the officers for the coming year were elected and they were as follows: President, Mrs. Leonard W. Bacon; vice presidents, Mrs. J. M. Huntington, Miss M. Louise Sturtevant, Mrs. William Carr; secretary, Miss Elizabeth Parker; treasurer, Mrs. Samuel H. Howe; executive committee, Mrs. Thomas J. Attles, Mrs. Amy A. Browning, Mrs. Heber J. Wyckoff, Mrs. Burrill W. Hyde, Mrs. Charles W. Gale, Miss Sara L. Huntington, Mrs. Richard R. Graham, Mrs. George W. Lane.

Mrs. Bacon thanked the ladies for their kindness in re-electing her to the presidency and she hoped with their good help that they could make the coming year more successful than the past. As the convention of the mission will be held in Buffalo this year it was decided to send Mrs. Bacon as a delegate, with a companion of her own choosing.

After the necessary business was disposed of, Mrs. Bacon introduced the speaker of the afternoon, Rev. George T. Berry, of New York, and among some of the things he said were: The churches of France are falling not only in resources but also in structure. The town council of the different towns will not help to rebuild the buildings. In one instance it is said that one priest gathered together 200 francs to replace a fallen monument. There is but one Protestant church to each 10,000 of the population.

Of the 36 departments of France, 20 have no Protestant church and 24 have but one each. One-tenth of these churches are usually poorer than the two-thirds are supported from their denominational central funds.

In proportion to their means the evangelical churches of France are unsurpassed in gifts. But their gift of personal service and co-operation (in which they furnish five-sixths of the mission's working force) is the most substantial help they can at present render.

The speaker compared the resources of France with those of China, saying that the resources of France are unsurpassed in gifts. But their gift of personal service and co-operation (in which they furnish five-sixths of the mission's working force) is the most substantial help they can at present render.

PRISONERS TO WETHERSFIELD.

Six Taken from County Jails to Serve Sentences.

Sheriff Sidney A. Brown and Deputy Martin took six prisoners to Wethersfield on Tuesday from the county jails where they had been held since the recent session of the superior court because of lack of accommodations at the state prison. They were:

Frank Falcone, carnally knowing and abusing female child in Norwich, 13 to 25 years.

Joseph Rushlow of Mystic, convicted of highway robbery, under sentence of two to five years.

Permy Arnold, also of Mystic, held up and robbed Carl Koeb, paymaster of the American Velvet company, in Stonington last October, securing about \$10,000, which was later recovered.

Michael Linehan, charged with statutory rape and under sentence of three to five years.

Linehan was a circus employee.

John Picino of Gorton, convicted of assault with intent to slay and kill and sentenced to not less than eight years nor more than nine.

Picino attacked employes at an Eastern Point farm with pitchfork.

Michael Demario of New London, convicted of assault with intent to kill and slay, under sentence of not less than five nor more than ten years.

Demario with companions held up and attempted to rob Melville Mason, a Niantic butcher, and William Messenger, at Niantic, Demario shooting Mason.

FAITH TRUMBULL CHAPTER.

Papers Given on The Passing of the Home—Delightful Musical Numbers.

There was an extra large attendance at the March at the March meeting of Faith Trumbull chapter, D. A. R., held on Tuesday afternoon with Mrs. Charles W. Practice of Washington street. The regent, Mrs. W. L. Stearns, presided over the opening and business part of the meeting, and noticed with deep regret the loss of another chapter member, Mrs. Henrietta Aiken. She also called for a few words of greeting from Mrs. Sidney A. Miner, regent of Lucretia Shaw chapter, New London, who was a guest of the chapter.

Miss Clara Worth furnished the musical part of the programme, and her two groups of songs were much appreciated. Miss Ethel Worth accompanied.

The educational features of the engineers' meetings have been particularly interesting, as they are all illustrated with slides, and the talk this time will be given by Harry Leonard, a local engineer of ability, who was employed by the Allen-Beeman company during the erection of their 100-ton plant and is still chief engineer of the plant, as well as consulting engineer for a number of the smaller nearby plants. His experience will qualify to explain the difficulties encountered in the operation of a plant of this kind. The evening was closed by the reading of invitations to the meeting to others interested besides their own members.

MANSFIELD COLONY

SOON TO BE OPENED

New State Institution Will Care for Epileptics.

The state commission having in charge the proposed colony for epileptics in Mansfield, held a meeting at Hartford Tuesday. It was announced the colony would be open for the reception of patients in a few weeks. The opening has already been delayed because of cold weather and the exposure of the water pipes about the place. The colony will have accommodations for eighty patients. It is understood that there are forty at the Lakeville school for imbeciles which may be transferred.

The colony has five hundred acres of land and suitable buildings. The state appropriation was \$175,000.

AT THE ARMORY.

Indoor Baseball and Visit by O. P. A. K. of Second Church.

After the drill at the armory Tuesday evening the Fifth company and the Indians clashed in a spirited game of indoor baseball which resulted in a victory for the Fifth company by the score of 35 to 10.

Two recruits were received into the company Tuesday evening.

The O. P. A. K. of Second church were taken to the armory Tuesday evening by Frank A. Bill and Arthur L. Peale on a sightseeing expedition. The boys were shown about the armory and the company drill from the gallery with much interest. They were highly pleased with the courtesies shown them by Capt. W. G. Tarbox.

Increase of Capital.

Among the papers filed with the secretary of state is the following: Certificate of increase of capital stock of Smith & Winchester Manufacturing company of Windham from \$50,000 to \$200,000.

GEO. A. DAVIS

Don't You Want a Pretty PICTURE FRAME to Keep Your Photographs Nice and Clean?
